# Updated PSAT information 9/21:

## The PSAT is Coming to Needham High!

For 11th and 10th graders:

- The PSAT will be offered at Needham High School on **Saturday, October 14th**. The test starts at 8:00 am, with student entry/check-in from 7:30-8:00am.
- For juniors, the results are used for National Merit (NMSQT) Scholarship eligibility (non-juniors are not considered for NMSQT eligibility).
- Payment and registration through MySchoolBucks.
- Cost \$34
- Registration is open in MySchoolBucks from Sept 5th - October 1st.
- For any issues paying through MySchoolBucks or requests for Fee Waivers, please see Mr. Grannan in the Counseling Office or email [will\\_grannan@needham.k12.ma.us](mailto:will_grannan@needham.k12.ma.us).
- If testing with a Fee Waiver you do not register through MySchoolBucks. Mr Grannan will register you manually after you contact him with the Fee Waiver request.
- The PSAT this year is DIGITAL. Learn more about the NEW Digital PSAT from the College Board @ <https://satsuite.collegeboard.org/psat-nmsqt/preparing>.
- Students may use personal computers or school issued Chromebooks to take the PSAT. PSAT uses the Bluebook application for the exam. Students with school issued Chromebooks should already see it in their list of applications. To download Bluebook on your own device, go to this [Bluebook link](#). DOWNLOAD AND LOGIN TO THE BLUEBOOK APP NOW. Make sure you can login and navigate the application (can also be used for test prep.)
- To test with accommodations, students must have official approval from the CollegeBoard. You can contact Mr. Grannan if you have any questions regarding CollegeBoard approved accommodations. If approved, the accommodations will be built into the digital administration on test day.

Take care .... Mr Grannan

# Reality and Career Fairs for seniors!

Dear Community Members:

On **Monday, October 2nd from 8AM to 11:20 AM** the Needham Rotary Club and Needham High School will sponsor a Reality Fair and Career Fair for our current Seniors. The events will be split into four 45-minute segments. Students will participate in the Reality Fair during one segment, hear from a panel on post secondary options for one segment, and visit presentations of careers for two segments.

We are reaching out to community members to solicit help in running the Career Fair. Community members can participate in the Career Fair by presenting on a field, career, or job of which one has expertise and conducting a Q&A with the students following the presentation. We would be seeking individuals (or groups) to present a minimum of two times (up to 6) based on your availability. **The goal of the Career Fair** is to provide some information and background on a variety of career options for students as they begin to narrow down on a path for college and/or work. We want them to hear about what it is like to work in different careers, the education requirements for each, and what steps they should take to put themselves in the best position to be successful in those fields. We anticipate having 20 or 30 minute time segments for the presentation and Q&A discussion of a career with groups of students no larger than 25. Students will visit 3-4 career options during the fair.

If you are able to volunteer in any capacity, we'd love to have you! We will confirm and connect in advance regarding timing, roles, and responsibilities. **If you are interested in helping us this fall, please complete this [google form](#).**

Sincerely,  
Jimmy Odierna, Dana Plunkett, and John Shea

Here are some important details:

Date: **Monday, October 2, 2023**

Time: 8 AM - 11:20 AM

Place: Needham High School

## **Career Fair Shifts for community members**

# AN IMPORTANT REMINDER FROM NHS NURSES

## SNAP Parent Portal for Health Services

We ask Needham Families to update your child's medical information each year in the **Alerts and Conditions Tab** and to give permission for Over-The-Counter Medication in the **Medication Tab**. This current information is important for nurses to be able to best care for your child. This update in SNAP is taking the place of the nurse form in PowerSchool.

The SNAP Health Parent Portal is an online platform that gives you direct access to your student's school health record, permissions, and direct communication with nurses.

You can use the SNAP Health Portal to:

- Give permission for your child to have Over-the-counter medications during this school year including Tylenol/Acetaminophen, Motrin/ibuprofen, bacitracin, Caladryl, Cough drops [8 years and up], Hydrocortisone, and Antacid/TUMS. This permission must be given each school year.
- Inform the nurses of medical conditions, alerts, and medication
- Send secure messages directly to the nurses
- Upload a copy of your child's physical exam forms, orders, or documents
- Access Needham Public School medical forms

Parents/Guardians receive an email from SNAP Parent Portal (from: noreply@studentehr.com) with login instructions including a username and password. Once registered, see instructions below.

- **SNAP Health Parent Portal Log in:** Click [www.studentehr.com](http://www.studentehr.com) to log into the SNAP Health Parent Portal.
  - If you forget your password, please click "Forgot Password?" under the password box to reset.
  - **IMPORTANT:** Email notifications sent from the Nursing Department via the SNAP Health Portal will come from the email address [noreply@studentehr.com](mailto:noreply@studentehr.com).

**Another way to access the SNAP Parent Portal:** Log on through your parent PowerSchool Account and choose the SNAP/PSNI button in the upper right corner of your parent PowerSchool Ac

You may navigate through the following sections which are found on the left side of the SNAP dashboard. Instructions for each of the Health Record Left Sided Tabs are as follows:

**Demographics/Contacts Tab:**

- Demographic updates need to be done in the PowerSchool platform

### Alerts and Conditions Tab:

- Check that any listed conditions are correct, if they are not, you can make the changes for nurses to review.
- Please add any current medications that your child is currently taking in the “medications: current” tab.
- Please add any new conditions under the “Parent Reported” tab. **Written documentation from your healthcare provider is required** in order for the nurse to confirm the new health condition.
  - Click "Attach Documentation" and upload documents as a pdf or jpeg.
- Check current health information. If the information is correct, simply press the CONFIRM button at the top of the screen.

### Medications Tab:

- Using the **“Orders” button** in the top right corner, you may attach any prescribed medication doctor order(s) from your child's doctor and any medication parental consent form(s) which are required for the school nurse to give medication to your child.
- Please use the **OTCs button** in the upper right hand corner to confirm which over the counter medication your child may have during this school year. Please click on EACH medication to opt your child in or out.

### Charts:

- If your child requires any monitoring of blood glucose, peak flow, or blood pressure, this is where you will find charts documenting these values.

### Screenings:

- Using the **“Upload Proof of Physical”** tab in the upper right hand corner: Upload physical exam. You can also attach any documentation from a health care provider regarding a screening referral.

### Letters:

- This tab also allows your school nurse to attach forms which you can then read and if applicable, sign and send back to your school nurse.

### Messages:

- This allows you to contact the school nurse at any time during the school year and will alert the school nurse with any messages you send. **You can also attach or upload any other information** that you would like to have in your child's health record when you create a new message.

### Forms:

- You can access Needham Public School forms here: Plans for: Allergy, Asthma, Diabetes, and Seizures, parent permission forms for medication, and Doctor's permission forms.

## Calling ALL Performing Arts and Music Students!

### Register TODAY for this year's Student FUNdraiser

Taking place on  
**Saturday, October 14<sup>th</sup> from 11:00 – 2:00pm**  
(students will choose a 90 minute shift in the registration form)

This fun activity is raises necessary funds for NHS Friends of Music (FOM) to support NHS performing prts programming, enhancing the experience for all NHS performing arts students and the Needham community. We are thrilled to offer our students the opportunity to FUNdraise for the performing arts in which they thrive.

#### Who should participate:

- All students who are in a school-based music or theater class
- Students who are on or plan to be on the tech crew for any of this year's shows
- Students who have performed or plan to perform in either SAMD, the winter school musical or the school play
- Students who are in Symphonic Band, Jazz Ensemble or Chorale
- Students who sing in an a Cappella group

**What to expect?** Students will gather by grade to host a fundraising table at one of 4 high traffic areas in Needham. Students will engage passers-by and fundraise for FOM. We will handouts and tools to help them talk about their performing arts experiences.

**Prize!** The participating members of the grade which collects the most money will win a prize which will be awarded at Winterfest.

# *Fall Open House*

The Needham School Committee will hold a Fall Open House on **Sunday, October 1, 2023** from **11:00 a.m. – 3:00 p.m.** at the Harvest Fair on Greene's Field.

The open house is an opportunity for parents and the community to engage in an informal conversation with School Committee members and the Superintendent with concerns, questions and to share relevant information. All are welcome to drop by the School Committee table and meet members of the Committee.

# Interested in AI or Quantum Computing?

The Coding School is offering two, no cost two-semester courses in Artificial Intelligence and Quantum Computing for high school students. Through our courses, we aim to ensure these fields have diverse, equitable, and inclusive future workforces, and we are able to make these courses accessible to all students thanks to sponsorship from the DoD STEM and companies like Google, IBM, and Microsoft.

The courses officially start on **October 8th**, and we'll have orientation and Python training in the weeks prior for any students enrolled before then. For more information, visit [the-cs.org/courses](https://the-cs.org/courses).

## About Our Courses

- Our two-semester courses in AI and in Quantum Computing are taught virtually with live instruction from researchers at top universities (Stanford and Columbia). They are backed by the Department of Defense STEM and companies like Google, IBM, and Microsoft.
- Over 3-5 hours/week for two semesters, students in both courses gain real-world tech skills, program in Python, discuss emerging tech ethics, hear from speakers in academia and industry, and end the year by completing capstone projects.
- The courses have few to no prerequisites and are designed specifically for high-school students and teachers.
- The AI course is no cost to all accepted students, and we have thousands of full and partial scholarships available for the Quantum course. For more information, visit [the-cs.org/courses](https://the-cs.org/courses).

## How to Apply:

- Apply through the application links in this flier. We're accepting students on a rolling basis until **October 5th**. Spots are limited, so the sooner you apply, the better!

## Lost and Found

Students who find lost items can bring them to the lost and found area located in the Main Office. Students who lose items are welcome to come to the Main Office where they can fill out the Lost and Found form. The lost and found bin will be available throughout the school year and items are typically donated before school breaks if they are not claimed.

*Helpful suggestion: Labeling items such as lunch bags or articles of clothing with a student's name can make it easier to locate the owners when belongings are misplaced.*
